

**ANCASTER MEADOWS PARK
PUBLIC INFORMATION CENTRE FEEDBACK**

CONCEPT PREFERENCE

	Concept 01: The Millstone	Concept 02: The Village	No Preference Noted
Number of Requests:	8	1	4

ANALYSIS CHART

No.	Item	Resident Comments	Action(s) taken by City	Response
1)	Drinking Fountain	<ul style="list-style-type: none"> provide a drinking fountain 	<ul style="list-style-type: none"> unlikely addition due to budget constraints and feasibility to connect to existing underground services located under existing road 	<ul style="list-style-type: none"> TBD during detailed design pending budget
2)	Monkey Bars	<ul style="list-style-type: none"> provide monkey bars at senior play structure 	<ul style="list-style-type: none"> can incorporate monkey bars into senior structure 	<ul style="list-style-type: none"> will be included during detailed design
3)	Track Rider ("Zipline")	<ul style="list-style-type: none"> provide track rider at senior play structure 	<ul style="list-style-type: none"> can incorporate track rider into senior structure 	<ul style="list-style-type: none"> will be included during detailed design
4)	Parking	<ul style="list-style-type: none"> provide parking lot 	<ul style="list-style-type: none"> parking lots are not provided in neighbourhood parks as they are meant to service homes within walking distance 	<ul style="list-style-type: none"> not included in programming
5)	Lighting	<ul style="list-style-type: none"> provide pathway lighting provide LED lighting 	<ul style="list-style-type: none"> pathways are lit only when considered a major commuter route 	<ul style="list-style-type: none"> one park light at playground and one ceiling light within shelter are included in programming (LED is typical)
6)	Walking Loop	<ul style="list-style-type: none"> provide closed loop pathway 	<ul style="list-style-type: none"> can incorporate limestone screening closed loop walkway system 	<ul style="list-style-type: none"> included in programming, see updated concept

7)	Volleyball Posts	<ul style="list-style-type: none"> provide volleyball posts (nets not required) 	<ul style="list-style-type: none"> notified Recreation staff 	<ul style="list-style-type: none"> indoor nets provided at Ancaster Rotary Centre Recreation staff will track requests
8)	Meadow Species	<ul style="list-style-type: none"> provide areas that are dedicated for open meadows 	<ul style="list-style-type: none"> can incorporate meadow species into design 	<ul style="list-style-type: none"> included in programming, see updated concept
9)	Access	<ul style="list-style-type: none"> provide walkway access to park at southwest corner 	<ul style="list-style-type: none"> can adjust pathway to be closer to southwest corner 	<ul style="list-style-type: none"> included in programming, see updated concept
10)	Seating	<ul style="list-style-type: none"> provide additional seating along walkways 	<ul style="list-style-type: none"> can provide additional bench seating along walkways and additional armourstone seating at multipurpose court 	<ul style="list-style-type: none"> included in programming, see updated concept
11)	Basketball Nets	<ul style="list-style-type: none"> provide additional two additional basketball nets at multipurpose court to allow for more games to played at same time 	<ul style="list-style-type: none"> will explore feasibility of proposal during detailed design and will be dependant on budget and space/ safety 	<ul style="list-style-type: none"> TBD during detailed design pending budget and space/ safety
12)	Tennis Court	<ul style="list-style-type: none"> provide a tennis court 	<ul style="list-style-type: none"> not a typical feature in a neighbourhood park 	<ul style="list-style-type: none"> tennis court is located at Meadowlands Community Park not included in programming
13)	Splash Pad	<ul style="list-style-type: none"> provide a splash pad 	<ul style="list-style-type: none"> not a typical feature in a neighbourhood park 	<ul style="list-style-type: none"> splash pad to service this community is planned at Meadowlands Community Park not included in programming
14)	Naturalized Play Elements	<ul style="list-style-type: none"> provide stepping logs, berms, embankment slide, etc 	<ul style="list-style-type: none"> some naturalized features may be incorporated into programming 	<ul style="list-style-type: none"> included berm in programming, see updated concept
